

Slim & Sassy Control™ Bar

Slim & Sassy® presents a way to take better control of your hunger and help you on your path to managing your weight and ultimately your overall well-being. Slim and Sassy Control is a powdered mix in a convenient stick pack that you can take strategically during the course of the day to help control your appetite. Control is also available in a snack bar, which comes in three different flavors. Control contains a revolutionary ingredient extracted from spinach that has been clinically shown to significantly reduce appetite for up to six hours.
